

Neutral Cleaner

For Floors:

A concentrated deodorizing floor cleaner specially formulated to be used as part of a daily maintenance program for high-gloss floors. Thoroughly cleans dirt without dulling, hazing or marring the original finish. No rinsing is required.

How to Use

Daily Cleaning: Add 1 pak to 32oz mop reservoir. Add water and mix well. Apply to surface with mop.

Heavy Soil: Add 2 paks to 32oz mop reservoir. Add water and mix well. Apply to surface with mop.

Where to Use

Works excellent on any floor with the exception of unsealed floors. This product works especially well on resilient floors that are finished. Excellent for damp mopping.

U.S. Patent No. 6,037,319

For Quarts:

An excellent, neutral pH, formulation that quickly removes dirt, grease and grime while leaving the surface film free. Excellent for use on floors, walls, wood, counters, equipment and painted areas. Cleans and deodorizes all washable surfaces. Leaves a pleasant lavender scent.

How to Use

Add one pak to one quart of warm water. Shake to mix. Spray on surface to be cleaned. Wipe off excess product with a clean, dry paper towel or lint-free cloth. For heavier accumulations of dirt, grease and grime, use two paks per quart.

Where to Use

For use on floors, walls, wood, counters, equipment and painted areas.

Technical Data

Pak Size: 3 Grams
