Key Attributes

- Pre-measured portion PAK-IT®s create Spot Remover that easily removes spots and stains from carpet, fabric, and fabric upholstery. No need to cut, tear or open -simply drop 2 PAK-IT®s into its matching color-coded quart trigger spray bottle and add water!
- Safe and effective formula to use on both natural and synthetic fibers to treat food, pet, dirt, grease and other tough stains.
- Create a RTU spot remover in under two minutes at a fraction of the cost of traditional spot removers.

For Quarts: Simply drop two pre-measured PAK-IT®s into its quart trigger spray bottle (sold separately) and add cold, tepid or warm water. Wait two minutes and shake. Adjust nozzle to mist or stream settings and spray liberally onto stain. Allow the product to sit on the stain for one to two minutes to absorb the stain. Rub gently with a hand brush then blot with paper towel or cloth. Repeat if necessary until stain is removed. Finally rinse with a little clean water and blot dry. Note always test for colorfastness on an inconspicuous surface area. Note: This PAK-IT® Quart Bottle product requires 2 PAK-IT®s not 1.

Technical Data

Pak Size: 12 Grams
Solubility in Water: Complete
pH at Use Dilution: 9.5 ± 0.5
Color: **Clear**
Fragrance: Citrus
Phosphates: None
